PLEASE NOTE

- The first class may be overwhelming as we do a one-hour class filled with choreographed dance/fitness
 steps as well as cardio and physical challenges. BUT we promise you that after a few classes you will feel a
 big difference in your coordination, endurance, and mental wellbeing. It's never too late to get fit and feel
 great.
- Please request to be added to our WhatsApp group. My number is 0404 831 645. Mainly to notify of any class updates & motivational messages.
- Don't forget your water bottle, towel/mat, resistance band for legs and 0.5 to 1 kg hand weights. You don't have to use the band or hand weights for your first lesson. Best to get it after you have done a few classes with us.

zoom

- Ensure to workout in safe space, keep your devices charged & select mute during the class.
- You also have the option to "Stop Video" on your end so others cannot see you on the screen.
- We recommend adding speakers to your device for quality sound.
- Zoom classes run at every class except on Sundays.
